About the Curriculum

The Learning Outcomes Based Curriculum (LOBC) for B.A. Political Science (General) aims to equip learners with the necessary theoretical and conceptual knowledge, operational understanding and skills relevant for the functioning of State at the local, national and global levels. It is designed to educate them about the evolution of ideas, institutions, structures, processes, principles and contexts that constitute the subject matter of the discipline. The LOBC aims to teach the inter-disciplinary and comparative, analytical and critical skills to develop comprehensive understanding about the subject. The curriculum has been framed keeping in view the evolving dynamics of discipline in the light of the changing national and international scenario. It comprises the core courses, discipline specific elective courses, skill enhancement courses and generic courses as per the instructions of the University Grants Commission and University of Jammu.

The LOBC requires that while framing an academic programme, desirable learning outcomes need to be articulated clearly. The teaching, learning and assessment activities are designed to achieve the desired learning outcomes which are spelled-out in terms of conceptual knowledge, theoretical orientation, critical thinking, analytical ability, inter-disciplinary, comparative methods, communication and problem solving skills. In the mid-stream and at the end of each semester, assessment of each course is done to determine whether the desired learning outcomes are being realized. The assessment provides feedback to ensure that teaching and learning environment are compatible with desired outcomes.

Overall Learning Objectives and Outcomes

- The students graduating with this subject will acquire sufficient theoretical and conceptual knowledge to realize the worth of their degrees in the highly competitive job-market.
- They will acquire skills to understand, contemplate, comprehend and to reflect upon political, social and economic phenomena prevailing at the micro and macro levels after completing graduation.
- The knowledge and skills obtained after completing this course will be compatible with the national and international standards and thereby empower them to compete at the national and global levels for employability and mobility.
- The understanding developed and skills acquired thereof while studying this subject in the graduate programme will enable the learners to confidently appear and pass the competitive examinations to be conducted for the provincial and union civil services.
