## CAROUSEL OF INTENT

The absence of unity has been oversold. It is time to shift focus from the opposition's gaps to the opposition's will

## COVER STORY

# A leap year for Indian democracy?

10/ The lurch to the political Right has been pronounced across the globe. Given this reality, the upcoming election is much more than a contest between rival party coalitions. Rather than a conventional strategy, it may be worth the opposition's while to ask for a negative vote against the corrosive agenda of Hindutva.
