## JUTA APPEALED TO CALL OFF STRIKE

The Jammu University Teachers Association (JUTA) has been on Pen Down strike for the last three days with regard to untoward and shocking incident that has occurred in the Department of Psychology.

While the whole University fraternity is in acute shock due to this unfortunate incident and the matter is already being investigated by SIT constituted by the Government of JKUT, it is reiterated that the University Authorities are equally concerned and share the deep anguish and grief of the University fraternity.

I met the representatives of Jammu University Teachers Association (JUTA), wherein they were appealed to wait till the outcome of the findings of SIT.

In view of above and in the interest of students, a fervent appeal is being made to every stake holder of the University and the teaching fraternity in particular to call off their ongoing strike and help the University to ensure its smooth functioning particularly when the process of admission is already underway and many pending examinations are being held to meet the academic schedule.

The University of Jammu is known for its integrity and has carved out its niche at the National level with notable credentials in the arena of higher education. With this inherent belief, an appeal is again being made to seek cooperation of all and teaching fraternity in particular to maintain dignity of the University.
