Respected Sir / Ma'am,

Warm greetings from the Indian Students & Researchers in Korea (ISRK) association.

In a bid to help Indian research scholars dreaming to excel in research in developed foreign countries like South Korea, and guide them to bag fellowships for the same, Indian Students and Researchers in Korea - ISRK is organizing a series of live interactive sessions detailing about various Korean fellowship options, which various Korean universities and other institutions and professors are offering for Post-Doctoral program.

These sessions would witness the participation of top-notch Korean universities, and these sessions would offer live interaction with Indian researchers based in Korea who will provide detailed information about the application process, eligibility criteria, various research fields, as well as selection procedures for Post-Doctoral programs in Korea.

1. Live interactive session on Brain Pool and Brain Pool + post-Doctoral on 10th April 2022
2. Live interactive session on Institute for Basic Science (IBS) Fellowship on 17th April 2022
3. Live interactive session on University / Professor funded Post-Doctoral Fellowship on 24th April 2022

Brain Pool (BP) Post-Doctoral fellowship which is earlier known as the KRF fellowship is one of the reputed fellowships in Korea similar to the Humboldt fellowship in Germany as well as the Japan Society for the Promotion of Science (JSPS) fellowship.

Don't miss this opportunity to join us and to interact with speakers to clear all your doubts regarding the post-Doctoral opportunities in Korea.

Please join us on 10th, 17th and 24th April at 2:30 pm IST/ 6:00pm KST
