**International Research Symposium - Shodh Shikhar -2023**

Dear Sir/Madam

Greetings from all of us in RNTU and best wishes for a bright New Year 2023.

Rabindranath Tagore University (RNTU), is the first private university of Madhya Pradesh state, with NIRF ranking for last four years located at Bhopal the capital of MP.

I am happy to inform that our university (RNTU) in association with AIU, Dr. C.V.R.Us., AI Mandideep, CRISP and AISECT University, is organizing an all India Inter University Research & Innovation Symposium on 24-25 February 2023 titled **Shodh Shikhar-2023**. **I on the behalf of the organisers, very cordially invite you to this unique event.** This advance information and informal invitation so much in advance is only to ensure that you could kindly make a note in your engagement diary to book these dates for us and we do not miss you in the festival.

We are enclosing details of the programme and a flyer of the festival which will comprise mainly of two mega events - A Research Paper Presentation **Anushodhan -2023** for all students, faculty and researchers of your university and a Research Project Competition **Nav Nirmani – 2023** for only Diploma/UG/PG students of your university. In Research Paper there is no limit for number of participants but in Project Competition maximum five Projects will be accepted from each university. There are attractive prizes worth Rs. Two Lakh plus for winners in various categories in cash and kind. In addition to it certificates will be provided to all the participants.

**May I request you to please encourage Students, Researchers, Faculty Members and Scientists in your esteemed University to participate in this mega event. Kindly circulate and display the flyer and details for information of everyone in the University.**

Thank you very much in anticipation of your whole hearted support.

Thanking You

With very best regards
