ADMISSION CRITERIA

For Admission to UG and Integrated UG-PG Programmes:

50% of seats shall be filled on the basis of Composite Merit comprising 70% of Academic Merit and 30% of JUET-2026 Score and 50% of seats shall be filled on the basis of Academic Merit of Qualifying Examination of 10+2.

Note: In case of single seat in any category, preference will be given to JUET applicant

Five-Year Integrated UG-PG Programmes:

These programmes are more than the traditional learning and are designed to have EXPERIENTIAL LEARNING enabling and encouraging the students to explore more and learn from real life experiences. With these experiential learning experiences students engage actively with the subject matters and get a constructive view for their course structure and get a concrete experience as a part of lifelong learning. It will bridge the gap between the textual knowledge and real-life experiences. First two semesters will focus on the foundation courses giving overall basic knowledge to the students in communication skills, IT & Machine Learning, Artificial Intelligence (AI), mathematical ability, statistical thinking & data interpretation, business management, financial accounting, life sciences, natural resources, climate change etc. In third semester students will be offered to choose their major course along with other courses for the rest of the programme.
