

16th April 2019

The Department of Students Welfare, University of Jammu in collaboration with J&K Fire & Emergency Services organized an awareness programme in the University Campus.

A fire safety awareness programme was organised as a part of Fire Services Week being observed throughout the country. Besides conducting a demonstration of Fire Fighting appliances, high tech Disaster Management equipment and Rescue Tools were displayed for the familiarization the students. 'The Bronto Sky Lift' was operated to show how trapped persons are rescued. The Director General, Fire & Emergency Services J&K, V K Singh- IPS, accompanied the Vice Chancellor University of Jammu, Prof. M. K. Dhar, Registrar Dr. Meenakshi Kilam and Dean Students Welfare Prof. Shailendra Singh on Bronto Sky Lift during the operation. The Vice Chancellor Jammu University appreciated the efforts of the department in creating fire safety awareness amongst the student community and hoped the department will continue the endeavor in future also. Students, Scholars, Faculty Members and Staff of the University also got a chance to experience the High Lift.
