Lecture 04

The Department as a part of the Ranganathan Lecture Series organized its fourth lecture on “Librarianship as a Discipline” in offline mode on **June 7, 2023**. Dr. Nirmal Kumar Swain, Professor and Former Head, Department of Library and Information Science, Maharishi Dayanand University, Rohtak was the resource person who delivered the talk to impart knowledge upon the topic.. The program started with a welcome address by Dr. Pramod K Singh, Senior Assistant Professor of the Department, where he introduced the key speaker Dr. Nirmal Kumar Swain by highlighting his major accomplishments and introduced the key idea behind the conduct of such events in the department. The programme was attended by the teachers, students and research scholars of the department. The programme received a lot of appreciation for the successful completion of the fourth lecture of the series from the faculty members, library professionals and the scholars
