**LECTURE ON COMPETENCIES IN LIBRARY & INFORMATION SCIENCE**

The Department of Library and Information Science (DLIS) at the University of Jammu, under the esteemed leadership of Professor Sangita Gupta, hosted a lecture on "Competencies in Library and Information Science" on **May 28, 2024** by Professor Shabir Ahmad Ganaie, DLIS, University of Kashmir. Professor Ganaie, a expert in LIS, provided an insightful and thought-provoking lecture highlighting the critical skills and competencies essential for modern librarians and information professionals to effectively manage and disseminate information in today's digital age. The lecture was attended by faculty members (Dr. Meghna, Dr. Pramod, Dr. Bindu. Mr Ashwina and Dr. Reenu Arti), scholars, students and professionals from the LIS community.
