1st Minor- 20

2nd Minor- 20

Major- 60

Syllabus for the examination to be held in Dec. 2026, 2027, 2028.

Nature of the course-The course is related to Ancient Indian philosophical texts

Course Outcomes-

- Indian philosophy denotes the philosophical speculations of all Indian thinkers, ancient or modern, Hindus or non-Hindus, theists or atheists. 'Indian philosophy' is supposed by some to be synonymous with 'Hindu philosophy'. This would be true only if the word 'Hindu' were taken in the geographical sense of 'Indian'. In Indian philosophy, human life is validated through four pillars Dharma, Artha, Kama and Moksha. Dharma refers to responsibility, Artha refers to success, Kama refers to fun and Moksha to freedom. Indian philosophy recognizes the fact of unity in diversity. 9. Indian conception of education and of philosophy believes in cooperation between individuals and not in mutual competition. The principle of cooperation is extended even to the animals world and the forces of nature.
