# USER AWARENESS PROGRAM

## INFLIBNET SERVICES FOR HIGHER EDUCATION INSTITUTIONS

The Department of Library and Information Science, University of Jammu, under the esteemed headship of Prof. Sangita Gupta, Dean Planning and Development, organized a guest lecture on " I**NFLIBNET Services for Higher Education Institutions**" on **24th of April, 2025**. Prof. Umesh Rai Vice Chancellor of University of Jammu as chief guest and Prof. Devika P Madalli, Director INFLIBNET as Speaker, graced the event with their presence.

The guest lecture provided by Prof. Madalli's shed insightful presentation and light on emerging trends and best practices, offering valuable perspectives for students, faculty, and professionals. She introduced the participants with various services of INFLIBNET and the ways to incorporate these services for academic excellence.

Prof. Umesh Rai, in his presidential address, emphasized the importance of innovation and adaptability in the rapidly evolving field of library and information science. He also discussed ways to implement the services provided by INFLIBNET and allocated responsibility for its execution to the delegates present during the lecture. He congratulated the department on organizing the event and encouraged participants to leverage such opportunities for knowledge enhancement.

Prof. Sangita Gupta expressed her gratitude to Prof. Madalli for sharing her expertise and to Prof. Rai for gracing the occasion.

The event concluded with an interactive session. The whole programme was hosted by Ms. Pooja Rana and Mr. Kumar Chitraketu. The vote of thanks was delivered by Dr. Meghna Dhar. The programme concluded with a group photograph and refreshments.
