

The Department of Library and Information Science, University of Jammu, on 23rd Of October , 2026 organised an extension lecture "Beyond the Classroom: Reading, Self-Discipline and Career Success" featuring Dr. D. V. Singh, Ex Librarian, University of Delhi, as the resource person. The lecture focused on the fundamental values of librarianship, the role of Artificial Intelligence (AI) in the digital era, and interview preparation for aspiring library professionals.

The programme commenced with a brief introduction of the resource person, followed by a formal welcome address by Prof. Sangita Gupta, Head of the Department. She welcomed Dr. Singh and highlighted the importance of such academic interactions in enhancing students' professional knowledge and competencies.

During the lecture, Dr. Singh shared valuable insights into the core principles and professional ethics of Library and Information Science. He emphasised user-oriented services, equitable access to information, professional integrity, and lifelong learning. He also discussed the growing role of AI in libraries, highlighting its potential benefits, limitations, and the importance of its responsible use.

The session was attended by faculty members, students, and research scholars, who actively interacted with the resource person.

The programme concluded with a vote of thanks proposed by Mr. Ashwin Khushwaha, Assistant Professor, Department of Library and Information Science. He expressed gratitude to the resource person for sharing his valuable experience, Prof. Sangita Gupta for her guidance, and all participants for their active involvement. The event concluded with a group photograph.
